FINANCIAL.

The demand for money yesterday was

light and of a somewhat characterless.

A good deal of cattle paper is still being

made, but very little acceptable demand

exists, and the market is rather quiet.

Thus, good real estate paper is also scarce

and as a whole bond market was quiet

yesterday, and bonds themselves remain

unchanged, and the conditions still seem

to favor the buyers.

The four Atlantic ports cleared for ex-

port yesterday 16,361 bushels of wheat, 21,

29,420 bushels of flour, 10,522 bushels of corn

and 1,000 bushels of meal.

Decrease in wheat stocks last week re-

ported by Bradstreet's and not included in

the official weekly supply report include

the following: Boston, 1,000 bushels less than

yesterday; Boston, 1,000 bushels at various Manhat-
